### **Bar Dates Approved by the Court**

The Court has established the following Bar Dates as those dates by which parties holding claims against the Debtors that arose (or that are deemed to have arisen) before the Petition Date must file proofs of claim so that they are **actually received** by EPIQ:

**General Bar Date:** **Friday, October 4, 2013 at 4:00 p.m. prevailing Eastern Time**, is the date by which all entities (which includes, individual persons, estates, trusts, partnerships and corporations, among others) must file proofs of claim.

**Governmental Bar Date:** **Wednesday, November 27, 2013 at 4:00 p.m. prevailing Eastern Time**, is the date by which all governmental units holding claims (whether secured, unsecured priority or unsecured non-priority) must file proofs of claim, including claims for unpaid taxes, whether such claims arise from prepetition tax years or periods or prepetition transactions to which any of the Debtors was a party.

### **Parties Required To File Proofs of Claim**

- A. Definition of Claim.** Under section 101(5) of the Bankruptcy Code and as used herein, the word "claim" means: (i) a right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured or unsecured; or (ii) a right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured.
- B. Parties Who Must File Proofs of Claim.** Except as otherwise set forth herein, the following persons or entities holding claims against the Debtors that arose (or are deemed to have arisen) before the Petition Date must file proofs of claim on or before the applicable Bar Date:
- a) any person or entity whose claim against a Debtor is not listed in the respective Debtor's Schedules or is listed on such Schedules as contingent, unliquidated or disputed;
  - b) any person or entity who desires to participate in any of these chapter 11 cases or share in any distribution in any of these chapter 11 cases;

- c) any holders of claims allowable as administrative expenses of the Debtors' estates pursuant to section 503(b)(9) of the Bankruptcy Code; or
- d) any person or entity who believes that its claim is improperly classified in the Debtor's Schedules or is listed in an incorrect amount and who desires to have its claim allowed in a different classification or amount.

**C. Parties Who Do Not Need To File Proofs of Claim.** Certain parties are not required to file proofs of claim. The Court may, however, enter one or more separate orders at a later time requiring holders of claims to file proofs of claim for some kinds of the following claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. The following persons or entities holding claims that would otherwise be subject to the applicable Bar Date need **not** file proofs of claim:

- a) any person or entity that already has filed a signed proof of claim against the respective Debtor(s) with the Clerk of the Court in a form substantially similar to Official Form 10;
- b) a holder of any claim that is listed on the Debtors' Schedules; unless (i) the Claim is scheduled as "disputed," "contingent" or "unliquidated;" (ii) the Claimant disagrees with the amount, nature and/or priority of the Claim as set forth in the Schedules; or (iii) the Claimant disputes that the Claim is an obligation of the particular Debtor against which the claim is listed in the Schedules. In the case of either (i), (ii) or (iii), a proof of claim must be filed on or before the applicable Bar Date;
- c) a holder of a claim that has previously been allowed by order of the Court;
- d) a holder of a claim that has been paid in full by the Debtors or any other party;
- e) a holder of a claim for which a specific deadline to file a claim previously has been fixed by the Court;
- f) any Debtor having a claim against another Debtor;
- g) a current employee of the Debtors, if an order of this Court authorized the Debtors to honor such claim in the ordinary course of business as a wage, commission or benefit and the Debtors have in fact honored such claim; *provided, however*, that a current or former employee must submit a proof of claim by the General Bar Date for all other claims, including claims for wrongful termination, discrimination, harassment, hostile work environment, retaliation, claims covered by the Debtors' workers' compensation insurance or any other litigation or pre-litigation claim;
- h) a customer of the Debtors, if an order of this Court authorized the Debtors to honor such claim in the ordinary course of business pursuant to an existing customer program and the Debtors have in fact honored such claim; *provided, however*, that a customer must submit a proof of claim by the applicable Bar Date

if its claim relates to damages arising from claims for breach of contract, breach of warranty, misrepresentation or any other litigation or pre-litigation claim;

- i) the Pre-Petition Secured Parties, the DIP Secured Parties, and the Pre-Petition Second Lien Secured Parties (as they are defined in the Order entered by this Court enabling the Debtors to obtain post-petition financing), the claims for which, in the absence of the filing of any proof of claim, shall be governed by such order; and
- j) any holders of claims allowable under section 507(a)(1) of the Bankruptcy Code as administrative expenses of the Debtors' estates.

### **Instructions for Filing Proofs of Claim**

- A. Contents of Proofs of Claim.** Each proof of claim must: (i) be written in English; (ii) include a claim amount denominated in United States dollars (and to the extent such claim is converted to United States dollars, the conversion rate used); (iii) conform substantially with Official Form 10; (iv) be signed by the holder of the claim or by an authorized agent of the holder of the claim; and (v) be an original proof of claim (photocopies or facsimiles will **not** be accepted).
- B. Claims Against Multiple Debtors.** Except as otherwise provided by the Bar Date Order, each proof of claim must state a claim against only one Debtor and clearly indicate the Debtor against which the claim is asserted. To the extent more than one Debtor is listed on the proof of claim, such claim will be treated as if filed only against the first-listed Debtor.
- C. Failure to Identify a Debtor.** Except as otherwise provided by the Bar Date Order, each proof of claim **must** identify the Debtor against which a claim is asserted including the Debtor's case number. A proof of claim filed under the joint administration case number (No. 13-11391), or otherwise without identifying a Debtor, will be deemed as filed only against Healthcare Uniform Company, Inc.
- D. Supporting Documentation.** Each proof of claim must include supporting documentation in accordance with Bankruptcy Rules 3001(c) and 3001(d) (or, if such documentation is voluminous, include a summary of such documentation) or an explanation as to why such documentation is not available; *provided, however*, that a proof of claim may only be filed without supporting documentation upon the prior written consent of the Debtors' counsel; *provided further, however*, that any creditor that received such written consent shall be required to transmit such writings to the Debtors' counsel upon request no later than 14 days from the date of such request.
- E. Timely Service.** Each proof of claim must be filed, including supporting documentation, by United States mail or other hand delivery system, so as to be **actually received** by EPIQ on or before the applicable Bar Date (or, where applicable, on or before any other Bar Dates set forth in the Bar Date Order) at the following address:

If by First Class mail:	Life Uniform Holding Corp. Claims Processing Center c/o Epiq Bankruptcy Solutions, LLC FDR Station, P.O. Box 5285 New York, NY 10150-5285

**Consequences of Failing to Timely File Your Proof of Claim**

Pursuant to the Bar Date Order and in accordance with Bankruptcy Rule 3003(c)(2), if you or any party or entity who is required, but fails, to file a proof of claim in accordance with the Bar Date Order on or before the applicable Bar Date, please be advised that:

- **YOU WILL NOT RECEIVE ANY DISTRIBUTION IN THESE CHAPTER 11 CASES ON ACCOUNT OF THAT CLAIM;**
- **YOU WILL NOT BE ENTITLED TO ANY VOTE IN THESE CHAPTER 11 CASES ON ACCOUNT OF THAT CLAIM; AND**
- **YOU WILL NOT RECEIVE FURTHER NOTICES IN THESE BANKRUPTCY CASES; AND**

**Amendments to the Debtors' Schedules**

- A. Amendments to Schedules.** In the event the Debtors amend their Schedules after the date of this notice, the Debtors will provide holders of claims that are affected by the amendment notice of the amendment, and such parties will be given an opportunity to file proofs of claim before a new deadline that will be specified in that future notice.
- B. Amended Schedules Bar Date.** The Court has approved the later of (i) the Bar Date or (ii) 21 days from the date on which the Debtors provided notice of the amendment to the Schedules (or another time period as may be fixed by the Court) as the date by which holders of claims affected by the amendment must file proofs of claim with respect to such claim, unless such holders had previously filed a proof of claim.

**Parties to the Debtors' Leases and Executory Contracts**

- A. Rejection of Leases and Contracts.** The Bankruptcy Code provides that Debtors may, at any time before a plan of reorganization is confirmed by the Court, choose to reject

certain executory contracts or unexpired leases. If your contract or lease is rejected, you may have a claim resulting from that rejection.

- B. Proofs of Claim Relating to Rejection Damages.** The deadline to file a proof of claim for damages relating to the rejection of the contract or lease is the later of (a) the date set forth in an order authorizing the Debtors to reject contracts or leases pursuant to section 365 of the Bankruptcy Code (including any order confirming a plan of reorganization in the Debtors' chapter 11 cases), (b) the General Bar Date and (c) 45 days from the later of the date the rejection order is entered or notice of rejection is provided.

**Reservation of Rights**

Nothing contained in this notice is intended to or should be construed as a waiver of the Debtors' right to: (a) dispute, or assert offsets or defenses against, any filed claim or any claim listed or reflected in the Schedules as to the nature, amount, liability or classification thereof; (b) subsequently designate any scheduled claim as disputed, contingent or unliquidated; and (c) otherwise amend or supplement the Schedules.

**Secured Claim Under 11 U.S.C. §506(a)**

A secured claim is one backed by a lien on property of the debtor. The claim is secured so long as the creditor has the right to be paid from the property prior to other creditors. The amount of the secured claim cannot exceed the value of the property. Any amount owed to the creditor in excess of the value of the property is an unsecured claim.

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment is a lien. A claim also may be secured if the creditor owes the debtor money (has a right to setoff).

**Unsecured Claim**

An unsecured claim is one that does not meet the requirements of a secured claim. A claim may be partly unsecured if the amount of the claim exceeds the value of the property on which the creditor has a lien.

**Claim Entitled to Priority Under 11 U.S.C. §507(a)**

Priority claims are certain categories of unsecured claims that are paid from the available money or property in a bankruptcy case before other unsecured claims.

**Redacted**

A document has been redacted when the person filing it has masked, edited out, or otherwise deleted, certain information. A creditor should redact and use only the last four digits of any social-security, individual's tax identification, or financial-account number, all but the initials of a minor's name and only the year of any person's date of birth.

**Evidence of Perfection**

Evidence of perfection may include a mortgage, lien, certificate of title, financing statement, or other document showing that the lien has been filed or recorded.

**INFORMATION**

**Acknowledgment of Filing of Claim**

To receive acknowledgment of your filing, you may either enclose a stamped self-addressed envelope and a copy of this proof of claim or you may access the Claims Agent's system (<http://dm.epiq1.com/lifeuniform>) to view your filed proof of claim.

**Offers to Purchase a Claim**

Certain entities are in the business of purchasing claims for an amount less than the face value of the claims. One or more of these entities may contact the creditor and offer to purchase the claim. Some of the written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court or the debtor. The creditor has no obligation to sell its claim. However, if the creditor decides to sell its claim, any transfer of such claim is subject to FRBP 3001(e), any applicable provisions of the Bankruptcy Code (11 U.S.C. § 101 *et seq.*), and any applicable orders of the bankruptcy court.
