

# HR (B) Truck Licence

Be trained by industry professionals to the highest standards

With a HR B condition licence, you are permitted to drive a heavy vehicle (with a Synchromesh gearbox) that has 3 or more axles plus a trailer that has a gross vehicle mass less than 9 tonnes.

## Get your HR licence and start your career in the Transport industry now!

At Shift we wanted to take the hassle and guess work out of getting a truck licence, so we've come up with package deals to suit your level of experience.

### HR Original Deal - \$795

- 5 hours of training and practical driving test
- Our most popular for the HR B condition

### HR Ultimate Deal - \$995

- 7 hours of training and practical driving test
- Not to sure about driving a 10 tonne truck? Try this one!

At Shift we have a one truck - one trainer policy, so you will get the same professional trainer in the same vehicle each and every time.

*Note: Packages **do not** include \$60 Qld Transport test booking fee. We have both manual and automatic HR trucks available, please indicate your preference when you book. If you have an automatic car licence and choose to do your HR in the Auto truck, you will achieve a HR A Condition licence.*

## Details

**Where:** All training starts from our facility at 538 Wembley Rd, Logan.

**When:** Lessons available Mon-Sat. Test subject to availability with Qld Transport.

**Duration:** Packages available depending on your level of experience.

**Cost:** \$120 per hour or pick a package to suit

**What you need:** Must have held your car licence for 24 months continuously.

You need to complete your Heavy Vehicle Theory Test directly with Qld Transport (no booking needed)
