SECTION 4 - CHARACTER AND FITNESS QUESTIONS 4.01-4.18

In this section, you will be asked to provide information for the Board's character and fitness process pursuant to [Rule 5](#) of the Board's Rules. 4.00 Information for the Character and Fitness Investigation

Truthful Disclosures

Your application is a sworn statement filed with the Board, an agency of the Minnesota Supreme Court. **The failure to disclose an act or event (or the complete details thereof) can be more significant, and may lead to more serious consequences, than the act or event itself.** Failure to provide truthful answers, or failure to inform the Board of any changes to your answers, may result in denial of admission to practice law.

Explaining "Yes" Answers

You must explain each "Yes" answer by completing the supplemental form associated with the applicable question, which this online system will create underneath the question after you save a "Yes" answer. If there are multiple incidents that would require you to answer "Yes" to a question, you must complete a supplemental form for EACH incident by using the "Add Another" button at the bottom of the form. You must provide complete responses to the fields listed on each supplemental form, including a complete description of the events and circumstances surrounding any incident for which a narrative statement is requested. You must also upload copies of any supporting documentation requested by the supplemental form. If such documentation is not available, provide verifying documentation if requested by the form or a brief explanation regarding its unavailability in the "Upload Comments" field, as applicable.

Rule [4H\(1\)](#) requires applicants to cooperate with the Board by providing complete information and documents in response to the Board's requests. Applicants are requested to make diligent efforts to identify, investigate, inquire about, locate, and/or obtain any requested information or documents for which the applicant does not have complete details or documentation. Incomplete applications for which such efforts have not been made may be rejected, delayed in being processed, or subject to other consequences as provided by the Board's Rules.

Explaining Rehabilitation Efforts

If applicable, your statement explaining a "Yes" answer should also include a description of any rehabilitative steps you have taken and/or positive social contributions you have made in your occupation, community, or civic service since the occurrence of the conduct. Please refer to [Rule 5A](#) and [Rule 5B\(4\)](#) for the Board's Essential Eligibility Requirements and the factors it considers when assessing prior conduct. Reference the [Character and Fitness for Admission to the Bar](#) publication for additional information.

Conditional Admission

Under [Rule 16](#), the Board may conditionally admit an applicant whose record raises serious concerns about character and fitness but who presently appears to have a commitment to rehabilitation and the ability to meet the Board's Essential Eligibility Requirements for the practice of law found in [Rule 5A](#).

SECTION 4 - CHARACTER AND FITNESS QUESTIONS 4.19-4.33

In this section, you will be asked to provide information for the Board's character and fitness process pursuant to [Rule 5](#) of the Board's Rules. 4.19 Upload Credit Report

Credit Report

You must submit with your application a current copy of your complete credit report issued directly by TransUnion, Experian, or Equifax. For information on obtaining your free annual credit report from one of these credit bureaus, visit www.consumer.ftc.gov. Credit reports may also be obtained from the credit bureaus for a fee and/or by registering an account. Third-party reports, including those indirectly providing credit bureau data, will not be accepted.

A complete credit report must show each account with specificity (e.g. type, balance, status, relevant dates, monthly payment history, etc.). A summary page only listing the accounts and their status will not be accepted. Typically, a link on the page to print/save the report will generate a complete and properly formatted report. Please note that myEquifax accounts may not offer that option and that TransUnion reports may require a "fit to page" setting in some browsers to avoid losing information at the right margin. Credit reports need not contain your credit score, as this information is not considered by the Board.

Applicants who cannot obtain a credit report, due to not having a Social Security Number or an extenuating circumstance, must explain why no credit report is being provided in the Comment field below.

SECTION 4 - CHARACTER AND FITNESS QUESTIONS 4.34-4.42

Purpose of Questions

The following mental health and chemical dependency questions focus on conduct or behavior that impairs an applicant's current ability to meet the Essential Eligibility Requirements for the practice of law. The Board asks these questions because of its responsibility to protect the public by determining the current fitness of an applicant to practice law. The Board regularly recommends licensing of applicants who have sought treatment for mental health and chemical dependency issues. The Board strongly encourages applicants who have mental health and chemical dependency issues to seek treatment. The Board views mental health and chemical dependency treatment as a positive factor in evaluating an application.

In answering the questions below, you do not need to report situational counseling such as stress, victim, or grief counseling.

Applicant's Burden

You bear the burden of demonstrating that you possess the qualifications necessary to practice law. Your response to a question may include information as to why, in your opinion or that of your treatment provider, your condition will not affect your ability to practice law in a competent and professional manner.

Please refer to [Rule 5A](#) and [Rule 5B\(4\)](#) for additional information. Reference the [Character and Fitness for Admission to the Bar](#) publication for additional information.

The Board asks this question because of its responsibility to protect the public and to ensure that an applicant has the necessary support system to successfully address any challenges that arise in the practice of law.

In the last two years, have you demonstrated any conduct or behavior that raises concerns, or been advised that your conduct or behavior raises concerns, about your ability to perform any of the obligations and responsibilities of a practicing lawyer in a competent, ethical, or professional manner?

Note: The Board routinely recommends for admission applicants who answer "Yes" to this question. If your answer is "Yes" but you have taken actions to proactively address the conduct or behavior and its cause(s), such as treatment or other steps, that information will be requested on the supplemental form associated with this question.

4.38 Substance Use After Professional Advice

Within the past two years, have you continued to use drugs or alcohol after a professional advised you to discontinue use?

SECTION 5 - BAR EXAM ACCOMMODATIONS

Only applicants submitting an application to sit for the bar examination need to complete this section.

The Board will make reasonable modifications to any policies, practices, and procedures in accordance with the Americans with Disabilities Act, as amended (ADA) that might otherwise prevent individuals with disabilities from taking the Minnesota Bar Examination in an accessible place or manner, provided such modifications do not result in a fundamental alteration to the examination or other admission requirements, impose an undue burden, or jeopardize examination security.

Qualified applicants with disabilities may be provided reasonable accommodations to ameliorate the impact of the disability on their ability to take the Minnesota Bar Examination which is held in the Twin Cities metropolitan area. The Board will furnish additional testing time, auxiliary aids, and other accommodations when necessary to ameliorate impairment associated with the applicant's disability. No additional charges will be assessed to individuals with disabilities to cover the costs of reasonable accommodations.

Requests for testing accommodations will be evaluated on a case-by-case basis. The applicant must submit documentation from one or more qualified professionals that provides information about the diagnosed impairment(s), functional limitation associated with the condition, current level of impairment, and the rationale for the accommodations requested. In addition, the applicant must submit verification of past accommodations, if any.

All documentation will be retained by the Board. If appropriate, the materials provided by the applicant may be sent to one or more independent medical evaluators for an impartial review of the written documentation to request that the evaluator provide the Board with a recommendation regarding the request for testing accommodations. Accommodations granted elsewhere do not necessarily entitle an applicant to accommodations on the Minnesota Bar Examination, although the Board gives considerable weight to documentation relating to past accommodations received in similar testing situations or in response to an Individualized Education Plan (IEP) or Section 504 plan.

Please read the [Policy and Instructions for Requesting Testing Accommodations](#) on the Board website or view the Board's [instructional video](#) for additional information regarding completing your request for testing accommodations.

SECTION 6 - BAR EXAM INFORMATION

Only applicants submitting an application to sit for the bar examination need to complete this section.

6.01 Use of Laptop

Do you intend to use your laptop computer to write the MPT and MEE portions of the bar examination?

Please note that if you answer no to this question, you are indicating that you intend to handwrite. The Board does not provide laptops.

6.02 Photo ID

Create and Upload Photo ID Card

You must create and sign a photo ID card and include it as part of your application. Your photo ID card will be made into an ID badge to be worn during the exam.

[Click here](#) for the photo ID template and instructions. You are **REQUIRED** to use the template. Do not upload a driver's license or government ID. You will need to print and sign the card and then scan the entire page and save it so you can upload it as part of your application. Please note that many phone scanning apps, or taking a picture with your phone, can produce very large file sizes and/or may change the dimensions of the document and may not be conducive to use for scanning your photo ID card. As indicated on the template, your photo ID card should measure 4" x 3.5". Additional instructions are included on the template.

6.03 Evidence of Graduation

Conferral of Degree Requirement

A. Your law school must **DIRECTLY** provide to this office a document evidencing the conferral of your law degree. A transcript from a third party is not acceptable even if the third party has been authorized by the law school to send the transcript on their behalf. If your law school prefers to submit this document to the Board electronically and has not previously done so, their staff is welcome to contact the Board office to coordinate electronic submission.

B. The Board office must receive this document at least 30 days prior to the date of the bar examination.

This document must state that you have graduated with a J.D. degree, or have completed ALL coursework 30 days prior to the examination for which you applied and will be awarded a J.D. degree within 120 days following the examination. See [Rule 4C](#).

I have read and understand the Evidence of Graduation/Conferral of Degree requirement.

6.04 Prior Admission

In order for the Online Bar Application to properly calculate your application fee, you must answer the question below. For more information about application fees, please see [Rule 12](#) or the Board's [fees chart](#).

As of the date this application will be submitted, will you have been licensed to practice law in another jurisdiction for at least six months?

7 - 10 YEAR EMPLOYMENT HISTORY

In this section, you will provide your employment history over the past 10 years. Instructions are provided on how to create separate entries for each period of employment, practice as a solo practitioner, and unemployment.

7.01 Employment History

You must provide your employment history by listing **ALL** periods of employment and unemployment you have had in the **past 10 years**, including temporary and part-time work, internships, externships, unpaid or volunteer work, self-employment, independent contracting, military service, time in school, other unemployment, etc. You must list all such positions regardless of whether you were classified as an "employee" or were paid.

An entry is required for **each** position and period of employment or unemployment that you have had during the last 10 years. If you held multiple positions during the same time period, you must list each. If you held the same position during different time periods, you must list each. Each position and time period will generally require a separate entry. However, if preferred, you may list college or law school as one long unemployment period and then add your jobs or internships as overlapping employment entries that occurred during that period.

Use the buttons below to create a form for each entry listing your employment, practice as a solo practitioner, and/or unemployment. **You will need to return to this page to add additional entries** or, if adding multiple entries of the same type, can use the "Save and Add Another" button at the bottom of the form you are finishing.

The Board's investigation process routinely includes contacting current and former supervisors to request information relevant to an applicant's character, conduct, and professionalism in the workplace. Incorrectly listing other individuals often delays applications because verifying dates of employment is only one aspect of that process. If you have questions about how to list certain employment information or contacts, see the Board's [Application Submissions FAQs](#). If you have questions about how to navigate this section and create entries, see the Board's [instructional video](#) or [Navigating the Online Application FAQs](#).

I have read and acknowledge the above instructions.

Do you have any miscellaneous documents you would like to upload?

13.02 Signature and Uploads

SECTION 3 - OTHER BAR APPLICATIONS AND EXAMS

3.01 Prior Minnesota Applications

Have you previously submitted any bar application to the Minnesota Board of Law Examiners?

This includes any application of any type: for the bar exam (Rule 6), for admission without examination (Rule 7), or for a temporary or limited license (Rules 8-11). However, it does not include certification by the Board under the Student/Supervised Practice Rules.

3.02 Bar Exam Applications

Have you ever applied or registered for any bar exam in any other state (than Minnesota), other jurisdiction, or foreign jurisdiction?

This includes any upcoming or past exam for which you have applied, even if you withdrew, did not receive a passing score, or for any reason did not sit or have not yet sat for the exam after applying or registering.

3.03 Non-Exam Applications

Have you ever submitted any non-exam application for admission to the bar of any other state (than Minnesota), other jurisdiction, or foreign jurisdiction?

This includes, but is not limited to, any application for admission based on years of practice, a reciprocity rule, the transfer of a UBE or MBE score, or diploma privilege. If you have registered or applied for a limited or other type of law license separate from standard admission to the bar, see Question 3.05.

3.04 Law Student Registration

Have you ever registered or pre-registered for licensure or examination in any other state (than Minnesota), other jurisdiction, or foreign jurisdiction as a law student?

This includes any registration application submitted in a state that requires its law students to register with the Board of Law Examiners and begins the character and fitness review during law school, or requires certain law students to take an examination after their first year of law school.

It does not include certification as a certified student attorney during a clinic or internship.

3.05 Other Bar Applications/Registrations

Have you ever applied, registered, or pre-registered for any limited or other type of law license in any other state (than Minnesota), other jurisdiction, or foreign jurisdiction, including as corporate or house counsel, a temporary legal services lawyer, a foreign legal consultant, or as a provisionally licensed lawyer or supervised practicing law graduate?

Some jurisdictions allow lawyers who are licensed in another jurisdiction to obtain certain limited or temporary forms of licensure simply by registering with a designated licensing office. Some jurisdictions have permitted registered law graduates to temporarily practice law under the supervision of a lawyer—as a COVID-19 measure, pathway to licensure, or otherwise—for periods of up to three years.

This question does not apply to bar exam registrations, law student registrations, clinics or student practice, pro hac vice, or any submission of a full bar application for regular licensure and admission in another jurisdiction.

[Rule 4A\(5\)](#) of the Minnesota Rules for Admission to the Bar states that applicants have the burden of providing satisfactory evidence that the applicant has achieved a scaled score of 85 or higher on the Multistate Professional Responsibility Examination (MPRE).

[Rule 4E](#) states that an applicant may apply prior to taking the MPRE, but will not be admitted without a qualifying MPRE score and, if not admitted within 12 months of the date of a written notice from the Board, the application will be considered to have been withdrawn.

For additional information about the MPRE requirement or score transfer process, see the Board's [Eligibility and General Requirements FAQs](#).
