

## MEMORANDUM OF UNDERSTANDING

The University of Texas Rio Grande Valley, a public university and member institution of The University of Texas System (“UTRGV”), and McAllen Independent School District, a local government entity (“MCALLEN ISD”), enter into the following Memorandum of Understanding (“MOU”) effective September 1, 2021 (“Effective Date”) through August 31, 2023. UTRGV and MCALLEN ISD are referred to collectively as the “Parties.”

1. PURPOSE and AUTHORITY: The purpose of this MOU is to facilitate the enrollment of eligible students from MCALLEN ISD, in courses offered for dual credit through UTRGV. The UTRGV Dual Credit Program (the “Program”) will provide the support services to enable enrollment in university courses for students from MCALLEN ISD. The Parties intend this MOU to conform to the rules set forth by the Texas Administrative Code (TAC), Title 19, Part 1, Chapter 4, Subchapter D, as well as other applicable sections of the TAC and the Texas Education Code, and all applicable federal, state, and local laws and regulations. The Parties enter into this MOU pursuant to Section 29.908 of the Texas Education Code, and authority for making this MOU also is granted by 19 TAC Section 4.84 (a) and Texas Education Code Section 61.076. In addition, Section 61.076 of the Texas Education Code provides the Board (as defined in Section 2 below) with the authority to regulate courses and programs offered by public institutions of higher education in cooperation with secondary schools.
2. DEFINITIONS: The following words and terms, when used in this MOU, shall have the meanings stated below, unless the context clearly indicates otherwise.
  - a. *Academic Advising* -- An intentional process in which students seek and receive guidance with academic program planning and course selection to further post-secondary aspirations.
  - b. *Assessment* – The criterion-referenced assessment instruments adopted by the Board to assess a student’s readiness to enroll in college-level coursework or curricula.
  - c. *Board* – The Texas Higher Education Coordinating Board, or THECB.
  - d. *Core Curriculum* – The approved list of courses that are part of UTRGV’s 42 semester credit hour curriculum in the liberal arts, humanities, sciences, and political, social, and cultural history that all undergraduates of an institution of higher education are required to complete before receiving an undergraduate academic degree. A list of the courses that are part of the Core Curriculum are attached as Exhibit A and incorporated by reference.
  - e. *Dual Credit* -- As defined by 19 TAC Section 4.83, refers to “a system under which an eligible high school student enrolls in college course(s) and receives credit for the course(s) from both the college and the high school.” While dual credit courses may be taught on the secondary school campus to high school students only, certain sections of the rules under TAC Title 19, Part 1, Chapter 4, Subchapter D, also apply when a high

school student takes a course on the college campus and receives both high school and college credit. Dual credit is also referred to as concurrent course credit.

- f. *Dual Enrollment* – refers to a system under which a student is enrolled in more than one educational institution (including high school and a public university). Dual enrollment is not equivalent to dual credit.
  - g. *Dual Credit Program (Program)* – The program that provides the outreach, student learning and support programs for students seeking to earn UTRGV college credit for dual credit courses simultaneously while enrolled in high school.
  - h. *Field of Study curriculum* -- A set of courses that satisfies the lower-division requirements for a baccalaureate degree in a specific academic area at a general academic teaching institution. A field of study curriculum affects academic degree programs at public junior colleges, public technical institutes, or universities as designated within the particular field of study curriculum.
  - i. *TAC* – Texas Administrative Code
  - j. *The University of Texas Rio Grande Valley (UTRGV)* – a state agency and four-year institution of higher education organized under the laws of the State of Texas.
  - k. *UTRGV Provost* – The chief academic officer of UTRGV, regardless of title currently assigned to the position.
  - l. *UTRGV Road Maps* -- A suggested sequence of courses for major fields of study, and a tool to determine course selection in tandem with the Core Curriculum.
3. **ELIGIBLE COURSES:** High school students admitted to the Program will be allowed to enroll in Core Curriculum courses offered by UTRGV during the term of this MOU. A list of the approved 42-hour Core Curriculum is attached as Exhibit A and incorporated by reference. The MCALLEN ISD may award dual credit for any course completed under the terms of this MOU. Dual credit may be awarded for an equivalent course, elective credit, local credit, or to satisfy criteria for the Distinguished Achievement Program diploma. UTRGV will assume that dual credit will be awarded for enrollment under this MOU unless notified in writing otherwise by the MCALLEN ISD. Upon execution of this MOU, UTRGV and MCALLEN ISD will work collaboratively to design a course crosswalk listing UTRGV courses for which the district students may receive high school credit. UTRGV and the MCALLEN ISD agree to post the course crosswalk must be in a timely manner to their respective websites. Students successfully completing courses under this MOU will receive academic credit as documented on an official UTRGV transcript. Exceptions to these requirements shall be considered by the UTRGV Provost or designee on a case-by-case basis.
4. **COURSE APPLICABILITY AND TRANSFERABILITY:** By offering Core Curriculum courses in the Program, UTRGV does not guarantee the applicability of individual courses for satisfying future degree plan requirements of individual students. UTRGV will adhere to applicable TAC or other statutory requirements governing the transferability of Core Curriculum courses between public institutions of higher education in Texas.

5. STUDENT ELIGIBILITY: Students seeking dual credit opportunities with UTRGV will have an individual academic profile created based on a variety of factors, including without limitation:

- High School Class Rank;
- Grade Point Average;
- College Entrance Exams, e.g., SAT/ACT, PSAT/ACT-PLAN;
- Extracurricular Activities; and
- Community Involvement.

The student's academic profile will be created with submitted documentation and an admission decision will be rendered based on the information and accomplishments in the academic profile. In addition, the school district must have a current memorandum of understanding (MOU) on file with UTRGV. Students pursuing dual credit must meet the following criteria:

- Be classified as a Junior or Senior in High School; and
- Be eligible to graduate under the Foundation w/Endorsement or Distinguished Achievement Plan.

Dual credit students typically will meet one or more of the following criteria:

- Ranked in the Top 20% of their class;
- Have a 85 GPA or higher;
- Achieve an ACT Composite of 20 or higher;
- Achieve an SAT Total of 1110 (EBRW & MATH combined) or higher;
- Achieve a PSAT Section Score of 460 (EBRW) and 510 (MATH) or higher; or
- Achieve a PLAN Composite of 23 or higher.

6. ADMISSIONS REQUIREMENTS: Admission criteria stated herein for the UTRGV Dual Credit Program will apply to those participants admitted for any enrollment during the term of this MOU. Each student will complete a UTRGV online admission application (Apply Texas Application) and provide additional required documents as follows:

- a. most recent high school transcript, and
- b. official SAT or ACT scores (if applicable), and
- c. a Program Authorization Form signed by the high school principal, counselor, and parents.

7. ENROLLMENT REQUIREMENTS:

a. Upon admission to UTRGV, students must attend an Academic Advisement and Registration session/Dual Credit Program Orientation, prior to being allowed to register for coursework. Sessions may be held on one or both of the UTRGV campuses, or virtually. School Districts or high school campuses can request arrangements to accommodate larger groups. Specific information on how to complete this process will be provided to eligible students via email and to their respective high school counselor(s). Prior to attending an academic advisement session/dual credit orientation, each student who is not exempt from the provisions of the Texas Success Initiative, shall be assessed for readiness to enroll in university courses. For this

assessment, UTRGV may use any instrument otherwise approved by the Board for purposes of the Texas Success Initiative, in accordance with 19 TAC Sections 4.54 (relating to Exemptions/Exceptions) and 4.56 (relating to Assessment Instrument), including but not limited to STAAR-EEOC/SAT, and ACT scores. UTRGV Program Staff will collaborate with designated ISD Counselors and Administrators to provide academic advising to students and families on appropriate course selection aligned with state endorsements offered by the district and students declared UTRGV major field of study. The academic advising process shall be at the foundation of the program to promote rigor, access to the university experience, and strategic acceleration to facilitate transition to post-secondary education and success. The parties agree that the UTRGV Road Maps developed by the Academic Advising Center will be used as a resource to align course selection with major field of study. See Section 24 of this MOU and Exhibit C for more information.

b. Students must meet all prerequisites for individual courses such as minimum score requirements for respective course enrollment (e.g., minimum score on the specified placement test, minimum grade in a specified previous course, etc.) or any associated prerequisite courses. Individual exceptions to prerequisite requirements will be considered by UTRGV on a case-by-case basis.

c. Students admitted into the Program will be limited to enrollment in a maximum of two dual credit courses per semester or term. In special circumstances, students in the Program may be given approval to enroll in more than two dual credit courses per semester or term. Exceptions to this requirement for students with demonstrated outstanding academic performance and capability (as evidenced by college grade-point average, SAT or ACT scores, or other assessment indicators) must be approved by the principal of the high school and UTRGV Provost or designee.

8. ELIGIBILITY FOR UTRGV SERVICES: Program students enrolled in UTRGV courses are eligible to request a UTRGV ID card through established institutional procedures and shall be eligible to utilize the same or comparable academic and instructional support services that are afforded to university students on all UTRGV campuses. UTRGV is responsible for requiring timely and efficient access to such academic and supplemental services. For example, some (but not all) of these services include the following: Learning Assistance Center services like tutoring, academic advising, learning materials, library resources and other academic and instructional benefits for which the student may be eligible.
9. ACADEMIC STANDING: Students are expected to maintain a level of scholastic achievement that allows them to meet the grade requirements for continued enrollment in UTRGV and for college/high school graduation. Any Program student who fails to earn a grade of A, B, or C in any UTRGV course will be placed on academic suspension from the Program. Additionally, if a student withdraws from UTRGV or drops a course more than once during their participation in the Program, they will be placed on academic suspension from the Program. As UTRGV

students, Program students are subject to institutional standards regarding academic probation or suspension as outlined by the Office of the Registrar. Program staff are not eligible to override a decision on academic standing as determined by the Office of the Registrar.

10. GRADE REPORTS: Grades posted for dual credit courses will be provided by UTRGV to the school designee or district designee in a manner agreed upon by MCALLEN ISD and UTRGV. Grades and academic records for Program students will be subject to Family Educational Rights and Privacy Act ("FERPA") rules in accordance with UTRGV guidelines.
11. TEXTBOOKS AND MATERIALS: Textbooks or materials required for each course shall be determined by the faculty and specified in the course syllabus. The costs of the textbook(s) will be paid by the student or the MCALLEN ISD. Policies for determining who will purchase textbooks or materials will be left to the discretion of the District.
12. TUITION AND FEES: UTRGV will waive all tuition and fees for participating students while they remain eligible to participate in the Program. Students who choose to enroll at UTRGV after graduating from high school, or whose student application status changes for any other reason, are no longer eligible to receive a waiver of tuition and fees through the Program.
13. LOCATION: Classes for the Program will be held at an approved UTRGV facility, classroom on one of the UTRGV campuses, an approved off-campus site, or online. Additional locations may be approved by the UTRGV Provost or designee on a case-by-case basis.
14. STUDENT COMPOSITION OF CLASS: Classes in the Program will be composed of UTRGV students and Program students unless otherwise indicated. All dual credit course content, student learning outcomes, and course requirements will be the same as other similar UTRGV course sections, meeting all requirements established under law by the Board or other applicable agencies.
15. ATTENDANCE: Attendance in all classes is mandatory according to the UTRGV academic calendar. Additionally, Program students must adhere to the attendance policy of the faculty of record, as stated in the syllabus for that class. Program students who do not meet the prescribed attendance policy may be dropped from the class. Excused absences may be allowed according to UTRGV academic policy and at the discretion of the faculty of record.
16. FACULTY SELECTION, SUPERVISION, and EVALUATION: The faculty who will teach courses in the Program will be selected, supervised, and evaluated as would any other faculty member teaching any other class at UTRGV. UTRGV shall require that courses offered under the terms of this MOU are comparable to any other courses offered by UTRGV and equivalent with respect to the faculty qualifications, curriculum, materials, instructional activity, and method/rigor of evaluation of student performance. UTRGV retains full oversight of its academic programs and offerings, and its faculty selection, supervision, and evaluation.

17. ACADEMIC POLICIES: All academic policies that apply to students at UTRGV will apply to students enrolled in the Program. This includes policies for academic dishonesty, the appeal process for disputed grades, drop or withdrawal policies, the communication of grading policy to students, distribution of the syllabus, and other similar policies.
18. ENROLLMENT OF COURSES: UTRGV will provide district or campus designees with support in developing appropriate course sequencing and selection. UTRGV will also facilitate course registration and will provide a point of contact for enrollment inquiries. Unless otherwise indicated, enrollment in individual courses is on a first-come, first-served basis; UTRGV does not guarantee every Program student the availability of a seat in any specific, individual course in any semester, whether in person at an approved UTRGV site or online.
19. TRANSCRIPTING CREDIT: For dual credit courses, high school as well as college credit should be included on a student's transcript immediately upon a student's completion of the performance required in the course. Transcription of college credit will be the responsibility of UTRGV and transcription of high school credit will be the responsibility of MCALLEN ISD. MCALLEN ISD will determine how UTRGV grades will be recorded in the high school transcript for GPA and ranking purposes. MCALLEN ISD is responsible for making parents aware and knowledgeable of the decision made by MCALLEN ISD concerning these matters.
20. EVALUATION AND ACCOUNTABILITY: UTRGV staff will be responsible for the development and implementation of an evaluation process to determine the effectiveness of the Program. Measures of effectiveness shall include (without limitation) successful student academic performance in college courses, grades in classes offered by the Program, GPA, retention rates, and graduation rates. UTRGV and MCALLEN ISD agree to the following distinct and/or overlapping responsibilities and/or services as outlined in Exhibit B attached to this document.
21. LIMITATION ON ENROLLMENT: MCALLEN ISD may impose additional limitations on student enrollment in the Program. UTRGV will honor the Program Authorization Form for each participating student until high school graduation, unless written revocation notice is provided to UTRGV by the respective school principal.
22. TRANSPORTATION: All transportation will be provided by the MCALLEN ISD or the individual student. Program students driving their own vehicles to campus will be subject to UTRGV parking rules and transportation rules as set by MCALLEN ISD.
23. DUAL CREDIT RESOURCES AND RESEARCH: The parties agree the tools listed below are available and appropriate to assist counselors, students, and families in selecting endorsements and dual credit courses. Additional tools may be adopted by mutual agreement of the parties. A sample of available resources includes:

TEA House Bill 5: Foundation High School Program Website:

<https://www.utrgv.edu/advising/one-stop-shop/know-your-roadmap-to-graduation/index.htm>

24. Texas Senate Bill 25 (86<sup>th</sup> Legislature, Regular Session): In an effort to support high school students who participate in dual credit programs, Texas Senate Bill 25 (SB 25, 86th Legislature, Regular Session) established requirements for institutions of higher education to address postsecondary experiences for this population of students. Exhibit C summarizes the requirements outlined in the legislation and provides methods for meeting the respective requirement, specifically updates to programming and student support services.

25. ALL PARTIES AGREE:

- a. To be responsible for assuring all sites where Program students participate in this Program are compliant with applicable state or federal disability laws;
- b. To comply with all applicable provisions of the Family Education Rights and Privacy Act (20 USC §1232g, *et seq*). For purposes of this MOU, pursuant to the Family Educational Rights and Privacy Act of 1974 (FERPA), each Party hereby designates the other as a school official with a legitimate educational interest in the educational records of the students who participate in the Program to the extent that access to the records are required by the receiving Party to carry out the Program. The Parties agree to maintain the confidentiality of the educational records in accordance with the provisions of FERPA;
- c. In all cases, to comply with all federal, state, and local laws applicable to this MOU; and
- d. To have in place and abide by a policy prohibiting harassment or discrimination on any basis prohibited by applicable laws of the United States or the State of Texas.

26. AMENDMENTS: This MOU may be amended by a written document specifically referencing this MOU and signed by authorized officials of each Party.

27. TERMINATION UPON NOTICE: UTRGV and MCALLEN ISD, reserve the right to terminate this MOU upon written notice to the other party ninety (90) days prior to the date of termination. In the event that there are less than ninety days remaining in any given semester when the

decision to terminate this MOU is reached, the actual date of termination will be the day after the completion of that semester. If this MOU is terminated during an academic term, students enrolled in Program classes will be allowed to finish their current coursework and receive appropriate course credit.

28. INDEMNIFICATION: To the extent authorized under Texas law and without waiving any defenses including governmental immunity, UTRGV and MCALLEN ISD each agree to be responsible for its own acts of negligence, which may arise in connection with any or all claims for damages, costs, and expenses to person(s) and property that may arise out of or be occasioned by this MOU or any of its activities or from any act or omission of any employee or invitee of the parties. Additionally, as UTRGV and MCALLEN ISD are governmental entities of the State of Texas, the applicable provisions of the Texas Tort Claims Act as set forth in the Texas Civil Practice and Remedies Code S100.001, *et. seq.*, and the remedies authorized therein regarding claims or actions that may be asserted by third parties for accident, injury or death shall apply. UTRGV and MCALLEN ISD do not waive any immunity, limits of liability, or defenses, which are afforded to either of them under law, including without limitation under the Texas Tort Claims Act.
29. LIABILITY INSURANCE: It is the policy of the State of Texas not to acquire commercial general liability for torts committed by employees of the State who are acting within the scope of their employment. Rather, third parties must look to the Texas Tort Claims Act for relief with respect to property damage, personal injury, and death proximately caused by the wrongful act or omission or negligence of an employee acting within the scope of employment. UTRGV and its employees are provided workers' compensation coverage under a self-insuring, self-managing plan as authorized by Chapter 503 of the Texas Labor Code. UTRGV will assure that its self-insurance will comply with applicable laws and regulations.
30. NO ASSIGNMENT: The parties may not assign this contract to any other party without written consent of the other party. Each party must conduct a criminal background check, at its own expense and consistent with its own policies, of all persons they appoint, employ, or assign to provide services under this contract.
31. DISPUTES: To address any dispute that may arise during the implementation of this MOU, a committee consisting of representatives from MCALLEN ISD and UTRGV will be established to discuss and resolve issues. This committee will meet on an "as needed basis" at the written request of any of the parties. The MCALLEN ISD and UTRGV President (or designee) will each select one member of the committee, and those two selected individuals will mutually agree upon a third committee member. The committee is expected to seek robust consultation with appropriate individuals who have knowledge of the issue(s) in dispute, and work together to reach compromise and agreement on a mutually beneficial position within 30 calendar days. In the event the committee is not able to resolve the issue(s) in dispute within 30 calendar days, the party may agree to refer the dispute to non-binding mediation. The parties may agree to select a mutually acceptable mediator and conduct the mediation within 45 calendar days.

Neither party may unreasonably withhold consent to selection of a mediator. The parties will share equally in the cost of mediation.

32. GOVERNING LAW: This contract shall be construed under and governed by the laws of the State of Texas.

33. WAIVER: The failure of any party hereto to exercise the rights granted them herein upon the occurrence of any of the contingencies set forth in this MOU shall not in any event constitute a waiver of any such rights upon the occurrence of any such contingencies.

34. MISCELLANEOUS:

- a. Neither Party has authority for an on behalf of the other except as provided in this MOU. No other authority, power, partnerships, use of rights are granted or implied.
- b. This MOU represents the entire MOU by and between the Parties and supersedes all previous letters, understandings, or oral agreements between the Parties. Any representations, promises, or guarantees made but not stated in body of this MOU are null and void and of no effect.
- d. Neither Party may incur any debt, obligation expense, or liability or any kind against the other without the other's express written approval.
- e. If the Board adopts new rules or guidelines applicable to the Program during the term of this MOU, the new rules or guidelines shall prevail.

35. NOTICES: Notices give pursuant to this MOU shall be sufficient if actually received and sent by certified or registered mail, postage fully prepaid to:

**Goals for Dual Credit Programming  
The University of Texas Rio Grande Valley**

<b>Goals</b>	<b>Metrics</b>	<b>ISD Responsibilities/Services</b>	<b>UTRGV Responsibilities/Services</b>
ISDs and IHEs will implement purposeful and collaborative outreach efforts to inform all students and parents of the benefits of DC, including enrollment and fee policies.	Documentation summarizing collaboration and outreach efforts of IHEs and secondary school partners will be readily available and posted.	ECHS website to include MOU, crosswalk, and link to UTRGV's online resources.	Revised course chart (HB5), campus presentations to various groups, ECHS leadership teams, updated website, DC resource guide.
DC Program will assist HS students in the successful transition to and acceleration through post-secondary education.	Analysis of measures in enrollment in and persistence through post-secondary education, disaggregated by student sub-population. Included here are: student enrollment in post-secondary after high school; time to degree completion; and, semester credit hours to degree.	PEIMS data for subgroups at the time of graduation; track students after graduation through national student clearinghouse.	Cohort tag for students who enroll at UTRGV in DC and then continue; persistence; time to degree; total number of hours to degree completion.
All DC students will receive academic and college readiness advising with access to student support services to bridge them successfully into college course completion.	Analysis of measures in enrollment and degree completion, disaggregated by student sub-population. Included here are: student enrollment in post-secondary after high school time to degree completion; and, decrease in excess number of semester hours beyond required hours to degree completion.	See above, plus: CCMR counseling services.	See above, plus: credit to degree alignment; targeted approach to services by UTRGV's Student Academic Success unit; professional development for counselors by UTRGV academic advisors.
The quality and rigor of DC course will be sufficient to ensure student success in subsequent courses.	Analysis of performance in subsequent course work.		Track subsequent grades in scaffolded courses: ENGL 1301/1302; MATH 1314/2412/2413; BIOL 1406/1407.

Exhibit C: Texas Senate Bill 25  
Dual Credit Memorandum of Understanding: 2021-2023

**Introduction Statement**

In an effort to support high school students who participate in dual credit programs, Texas Senate Bill (SB) 25 (86th Legislature, Regular Session) established requirements for institutions of higher education to address postsecondary experiences for this population of students. The following section summarizes the requirements outlined in the legislation and provides methods for meeting the respective requirement.

**Filing a Degree Plan**

Students participating in a dual credit program must file a degree plan with an institution of higher education. Institutions must work with students who meet one of the following criteria to ensure a degree plan is on file:

1. **Earned a cumulative total of 15 or more hours at the institution.** Students must have a degree plan on file at the institution by the end of the semester or term immediately following the semester or term in which the fifteenth hour or more was earned; or,
2. **Enrolled for the first at the institution with 15 or more hours.** Students must have a degree plan on file at the institution during their first semester or term of enrollment if the student has earned 15 or more hours from another institution.

For the purpose of this requirement, the phrase “file a degree plan” equates to “declares a major” in that students declare an intent to pursue a particular program of study that, upon successful completion, results in the awarding of a baccalaureate degree from the institution. A major is declared at the time of application to the university using the student’s intended major as listed in the official Apply Texas application.

Dual credit students are eligible to enroll in courses from the university’s core curriculum that have been identified by their respective high schools as also qualifying for equitable high school credit (i.e., course alignment crosswalk). Core curriculum classes are the most applicable to a range of degree programs and transferrable between institutions of higher education.

If a dual credit student decides to change their declared major from what was originally listed in their application to the university, they must follow the university’s standard procedures as outlined in the appropriate Undergraduate Catalog. The process outlined in the *Undergraduate Catalog for 2020-2021* may be found here: <http://utrgv.smartcatalogiq.com/2020-2021/2020-2021-Undergraduate-Catalog/Registration-Policies-and-Procedures/Registration-Policies>

**Notification of Process for Filing a Degree Plan**

Under SB 25, institutions of higher education are required to provide students with notification of the process for filing a degree plan. To the best of its ability, UTRGV commits to providing students with multiple active and passive information channels through which they are able to learn more about the process for filing a degree plan and other enrollment-related information, including:

1. **Website:** UTRGV maintains a Dual Credit Program website through which detailed programmatic information may be found. Admission and enrollment process are clearly outlined and provide specific information about filing a degree plan and accessing resources.

Exhibit C: Texas Senate Bill 25

Dual Credit Memorandum of Understanding: 2021-2023

2. Dual Credit Student Guide: A program guide specific to dual credit students is available electronically through the program's website, providing detailed program information and key concepts for students and families to consider.
3. Dual Credit Program Orientation: Prior to enrolling in dual credit courses at UTRGV, students must complete a program orientation session where important program information is reviewed. Content for this session includes but is not limited to: understanding the core curriculum; reviewing academic course policies and institutional calendars; introducing academic and individual support services; planning ahead for postsecondary enrollment; and, financial implications of participating in dual credit.

**Supporting Students' Postsecondary Success**

SB 25 requires institutions of higher education provide students with verification of their declared major and that the courses in which they are enrolled align with their intended major. UTRGV utilizes the Degree Works platform, which provides a clear and transparent report of a student's academic progress and time toward degree. To achieve the latter requirement of course alignment with intended majors, UTRGV utilizes a holistic approach that incorporates direct interaction with students and continued education for high school counselors.

While incorporating several standard core curriculum requirements, degree plans/majors are unique programs that must be followed in order to meet degree completion requirements. Moreover, adhering to these course/programmatic requirements is sometimes required in a specific sequence. Therefore, UTRGV utilizes the following methods for educating students, families, and high school counselors about degree requirements:

1. Institutionally Designed Roadmaps: UTRGV provides students with detailed, sequenced Roadmaps for academic planning purposes. Roadmaps include required courses, suggested courses, and a sample course sequence to maximize the student experience. Additional programmatic information (e.g., minimum grade requirements, pre-requisites, etc.) is also included. Roadmaps may be accessed electronically at <https://www.utrgv.edu/advising/one-stop-shop/know-your-roadmap-to-graduation/index.htm>.
2. College-Specific Information Sessions: The Dual Credit Program in collaboration with the Academic Advising Center and/or academic department host college-specific information sessions for students and families at strategic times during the year. Sessions are facilitated by UTRGV personnel who introduce important topics such as academic planning, career exploration, and degree pathways.
3. Professional Development for ISD Counselors: Recognizing the critical role counselors play in supporting dual credit students, UTRGV commits to offering ongoing professional development workshops on topics related to academic roadmaps, degree requirements, and supporting students through early and targeted academic advisement.

While students participating in dual credit at UTRGV are not required to meet with an institutional Academic Advisor, they are required to attend an orientation session associated with the Dual Credit Program and at least one college-specific information session (associated with the selected major on the student record) per year throughout their time in the program. Failure to attend either of these activities will result in a registration hold being placed on the student's academic record until such time that the requirement is fulfilled.

SAMPLE High School/UTRGV  
Course Listing and Alignment Crosswalk

<b>Category 010: Communication (2 Courses - 6 SCH)</b>					
HS Course Number	High School Course	UTRGV Course Equivalent	Pre-requisite	HS Grade Level (Jr./Sr.)	Semester Offered (Fall/Spring)
	English III A/B	ENGL 1301			
	English IV A/B	ENGL 1302			
<b>Category 020: Mathematics (1 Course - 3 SCH)</b>					
HS Course Number	High School Course	UTRGV Course Equivalent	Pre-requisite	HS Grade Level (Jr./Sr.)	Semester Offered (Fall/Spring)
	Algebra II A/B	MATH 1314
